

SUMMERCON CRCE 2023

2022-23

 hawkicrce@gmail.com

About College

Located in a picturesque environment in the heart of the Mumbai city, Fr. Conceicao Rodrigues College of Engineering (FR.CRCE) is one of the renowned, premier and sought-after private Engineering colleges. The Institute is dedicated to making a difference in Engineering education, with its exclusive approach towards the ongoing momentum of trends in technology and holistic development.

Beginning with an Orphanage (BalBhaven) and a trade school in carpentry, the Agnel Ashram (set up in 1957 at Bandra, Mumbai) has today grown into a full-fledged Technical Complex. The Institute today proudly bears the founder's name as a fighting tribute to his impassioned faith in highly-qualified and fully-trainer Engineers and Technicians in the service of the Nation.

About Us

HAWK-i CRCE is a One-Stop Platform for Students who are just considering a career in cybersecurity, people who want to compete via CTF challenges, or experienced leader in the cybersecurity workforce who gets an opportunity to inculcate/Collaborate and have a hands-on learning Experience with Real World Bugs & Vulnerabilities, which provides tangible benefits and a supportive community to get guidance from industries best Hackers, Pentesters, Bug Hunters, Researchers, Enthusiasts & Content Creators on a global scale, to comprehend the significance of Cybersecurity in the upcoming era of cyberspace.

HAWK-i's Summer Conference is an excellent opportunity for companies to meet with students and professional candidates in Mumbai in order to hire them for cybersecurity roles! More than half of the attendees are students looking for opportunities who have been enrolled through the HAWK-i scholarship program, which is supported by sponsorships.

SUMMER CON

BRIEFING:

SUMMERCON CRCE 2023 is **Fr. Conceicao Rodrigues College of Engineering's Flagship Event & in Mumbai, India by HAWK-i CRCE** which provides security professionals & Enthusiasts with a place to learn the very latest in information security risks, research, and trends. Leading security researchers from around the globe present their most recent findings and vulnerabilities in a friendly, vendor-neutral environment. Attendees will learn about cutting-edge research on a variety of subjects, from flaws in common consumer electronics to risks to vital global infrastructure, and everything in between.

KEYNOTE Talks:

SUMMERCON CRCE Keynote Talks feature guest speakers who will bring excitement and inspiration to the audience throughout the day. They will generously share their personal insights and success strategies/stories, making the event a truly enriching experience.

PANEL Talks :

HAWK-i's SUMMERCON CRCE Panel Talk provide attendees with individualized technical ideas on a variety of subjects, including the most recent advancements in penetration testing (i.e. **Pentest Showdown**) and Bug Bounty (i.e. **Bug Bounty Showdown**). These Panel Talks that will focus on hands-on attack and defense courses, which are frequently created expressly for Cybersecurity enthusiasts, are instructed by subject matter and industry experts from around the globe with the aim of defining and protecting tomorrow's information security landscape.

SUMMER CON

TECH Talks:

SUMMERCON CRCE will be honored with the depth of research and vulnerability disclosures being revealed at each of its Tech Talks e.g. DeFi, Cloud Security, Smart Contract Security, API Hacking, Ai based Hacking & many more. We strongly support and encourage responsible disclosure. We hope that Summer Con will be the ideal setting for new and future cybersecurity professionals to begin their careers from Mumbai as this SummerCon will be the first of its kind happening in Mumbai.

DRONE / IOT Hacking:

SUMMERCON's highly-regarded workshops offer participants specialized training in the **Realm of Drone/IoT Hacking**. These practical, hands-on sessions will educate attendees on both attack and defense strategies, providing a deep dive into the intricacies of drone and IoT systems. With the goal of defining and securing the future of information security.

JOB FAIR:

We for the first time are attempting to bridge the gap between Infosec organizations and talented resources by combining this Job Fair with SUMMERCON CRCE. In this Shortlisted candidates will get time slots for the interview at the day of event.

ATTRACTING TOP TALENT AND RESEARCH:

SUMMERCON CRCE will be proud of the depth of new research and vulnerability disclosures being revealed at each of its events. We strongly support and encourage responsible disclosure. We hope that SUMMERCON CRCE will be the ideal setting for new and

SUMMER CON

to support the cutting-edge research and vulnerability disclosure that participants have come to know and appreciate, HAWK-i SUMMERCON CRCE is committed to upholding free speech and privacy rights.
